## WELCOME

*Fàilte*

Urras Oighreachd Ghabhsainn (UOG) is a Scottish Charity and a company limited by guarantee. The charity was established in 2005 to undertake the community buyout of the Galson Estate, covering a large area of the north of the Isle of Lewis, and to take forward the management of the land for the benefit of the community and the environment.

Our vision is to see a thriving and well-connected community with excellent local services and amenities. Tourism is one of our four strategic priorities. With this in mind, in 2022, UOG opened a four bay campervan site at the rear of the Business Centre. Facilities include an indoor washing up area, two toilets and a hot shower. Campers book a space on the site using an online booking system. Throughout the first two years of occupancy, the campsite welcomed many visitors from all over Europe.

In the spring of 2024, UOG are installing a toilet block at the Butt of Lewis. The block will comprise of two compost toilets.
