WELCOME TO THE COMMUNITY / FAILTE DON CHOIMHEARSNACHD

You've made a great decision to move to Galson Estate, as the way of life here is envied by many. In order to help you to feel at home as soon as possible, we have created this short welcome pack, which we hope will help you find your way around community life more easily. We warmly welcome you, hope you settle into your new home, and that this little pack means you are a 'local' in no time at all!

If you are interested in finding out more about community land ownership, you can read about the many successes across Scotland by visiting: www.communitylandscotland.org.uk

We would like to take this opportunity to welcome you and to introduce you to the work of Urras Oighreachd Ghabhsainn (UOG).

UOG was established in 2007 to manage the 56,000-acre Galson Estate for, and on behalf of, the community.

It is a company limited by guarantee and a registered Scottish Charity. UOG has a volunteer board of directors, democratically elected from the membership, and a staff team are employed to oversee the day-to-day running of the Estate. If you have moved to the Estate, you are invited to become a member of UOG. Please visit our website to find out how to become a member. You can read more about our work on the website: www.galsontrust.com

Galson Estate runs from Upper Barvas to Port of Ness and covers much of the north west of Lewis. It is a crofting estate and the crofting way of life is very much part of the community of Galson Estate. Crofting is a system of landholding which is unique to Scotland and can bring many benefits. If you have recently become a tenant of a croft and would like to find out more about crofting, please get in touch with UOG. Croft rents are collected annually and notices are issued by UOG in the autumn of each year. If you have any grazings queries, you can speak to your village Grazings Clerk, or you are welcome to get in touch with UOG and we will advise who is best to speak to.

"Coimhearsnachd a tha soirbheachail le deagh cheanglaichean anns a bheil sàr sheirbheisean agus ghoireasan ionadail, a' cleachdadh a stòrasan nàdarra gus cultar agus àrainn a tha sònraichte a dhèanamh seasmhach."

UOG Vision Statement

"A thriving and well-connected community with excellent local services and amenities, harnessing its natural assets to sustain a unique cultural and social environment."

Community Shops / Bùitean

We are well-served on the Galson Estate by a number of community shops. Shopping in local shops has considerable benefits to the area. By keeping money in the local economy, it helps preserve and create jobs. Shops are very often the heart of the community – a place to meet neighbours and a friendly face to welcome you in. It also helps to reduce your carbon footprint by reducing air pollution and traffic. See below for shop listings, or go to www.visitnorthlewis.com/shop-local

Cross Stores, on Cross Skigersta Road (HS2 OTD), is a licensed grocer, freezer centre and butcher, with a good range of plumbing, gifts, toys and stationery.

Swainbost shop, in the village of Swainbost (HS2 OTA), sells a wide range of tinned and fresh goods as well as petrol, diesel and gas.

Borve Mini Market, in the village of Borve (HS2 ORU), sells grocery items, newspapers and local goods.

'Fios' is our community newspaper for the north end of Lewis. The newspaper is based in the Spòrsnis building in the village of Lionel and prints fortnightly.

Aside from local news and updates, the paper also offers free listings for items and services. Urras Oighreachd Ghabhsainn often contributes updates and provides information to the community via this channel.

'Fios' can be purchased in outlets on the Estate, or in several outlets in Stornoway.

LIFE ON GALSON ESTATE / BEATHA AIR OIGHREACHD GHABHSAINN

Weather / Aimsir

The summers on the Galson Estate can be idyllic. In the height of the summer, the island receives in excess of 18 hours of daylight. In the winter, the dark is very profound, but this makes for excellent stargazing and aurora spotting opportunities. It is common to spot the Northern Lights here in the winter. In spells of high winds, be sure to secure loose external items.

Midges (biting flying insects) are usually at their worst during the months of August and September.

Finding properties on the estate / phonebook / Lorg taighean san oighreachd/leabhar-fòn

House numbers in villages on the Estate don't usually follow in chronological order, owing to historic croft sub-division. This can sometimes make them tricky to locate.

Comunn Eachdraidh Nis (Ness Historical Society) sell a very useful phonebook, 'Leabhar na Fòn – Nis gu Baile an Truiseil – 2018', which has maps of villages showing house numbers. This can be very handy when trying to locate a house on the Estate. Copies of the phonebook can be bought from Comunn Eachdraidh Nis in the village of North Dell (HS2 OSN).

Post offices / Oifis a' Phuist

The following villages have post offices:

Port of Ness Post Office: Port of Ness, HS2 OXA, 01851 810218

Skigersta Post Office: 119 Cross Skigersta Rd, Isle of Lewis, HS2 OTH, 01851 810427

Villages / Bailtean

There is a lot of very useful and interesting information about the villages of the Galson Estate on our website. To see both modern day and historical facts about our villages, go to https://www.galsontrust.com/the-villages

Renovations/workmen/Luchd-obrach

Listings for local tradespeople can be found at the back of the Comunn Eachdraidh Nis phonebook (see heading 'Phonebook' in this pack), as well as on Facebook. The Facebook group 'Ness Isle of Lewis' is also very active and helpful for this kind of information.

Cafés / Cafaidhean

At the time of writing, these are the cafés operating on the Estate:

Habost household waste and recycling centre / lonad Ath-chuairteachaidh

The Habost Household Waste and Recycling Centre (Amenity Site) is managed by UOG on behalf of the local authority, Comhairle nan Eilean Siar (CnES), and provides a valuable skip and recycling service in the community. The site is licensed by SEPA for the collection of household waste only. Commercial waste is not allowed, and neither are cars or similar objects. There is also a closed container for the collection of refrigerators, toasters, etc, which will be collected and taken straight to a recycling centre in Perth.

The Recycling Centre is found by turning off at no 55 Cross Skigersta Road, HS2 OTQ.

The Centre operates on both a summer and winter timetable. These timetables can be found on our website: www.galsontrust.com/habost-amenities-site. You cannot dispose of items outside of the hours stated, as this will be treated as fly-tipping.

Crofting / Croitearachd

Crofting is an integral part of life on the Galson Estate, with 90% of our land in crofting tenure.

Crofting is a system of landholding which is unique to Scotland.

As the landowner, Urras Oighreachd Ghabhsainn is on hand to support croft tenants with all aspects of crofting administration from payment of croft rents, croft registrations, decrofting etc. Our policies and factsheets are available to view on our website at:

www.galsontrust.com/estate-business

If you are new to crofting the following resources may be useful:

Crofting Commission www.crofting.scotland.gov.uk

SAC Consulting www.sruc.ac.uk/business-services/sac-consulting/crofting

Business services / Seirbhis Ghnìomhachasan

There is a wide and varied range of businesses within the Galson Estate, some of which can be found listed at the back of the local phonebook (see the heading 'phonebook' in this pack). Many of these businesses can also be found on social media. By joining one of the local Facebook groups you will always be pointed to your required service by other members.

Jobs and employment / Obraichean agus Fastachd

There are always good self-employment opportunities to operate within the Galson Estate. For those seeking employment, some sources which advertise jobs are listed below:

www.welovestornoway.com
www.cne-siar.gov.uk/jobs-training-andvolunteering/current-vacancies/
https://jobs.scot.nhs.uk/

Local newspapers: Fios and Stornoway Gazette
Local social media

Broadband and mobile coverage / Bann-leathan agus Siognail fòn

Superfast broadband has excellent connectivity to almost all homes and businesses within the Galson Estate area and beyond. There is also very good 4G mobile coverage within the area from most of the providers. You can check providers, availability and speeds for broadband and mobile at:

www.ofcom.org.uk/phones-telecoms-andinternet/advice-for-consumers/advice/ofcomchecker

Transport and travel / Còmhdhail agus Siubhal

The Galson Estate lies at the north end of the Isle of Lewis and is approximately 13 miles north of Stornoway, extending to 28 miles at the most northerly areas of the Estate. There are very good and regular transport connections from the Galson Estate to the main town of Stornoway, and indeed for onward travel to mainland Scotland. Travel time between the villages of the Estate and Stornoway takes approximately 15 minutes from the Barvas area, extending to 30–40 minutes if travelling from the Ness area. HERITAGE, EVENTS AND CULTURE / DUALCHAS, TACHARTASAN AGUS CULTAR

Gaelic language / Gàidhlig

We are a part of a community that has the highest percentage of Gaelic speakers per number of population in Scotland, according to the 2011 census. We are very proud of this and Gaelic, to this day, plays a very important part in many people's lives on the Estate, forming an integral part of our identity in North Lewis. If you would like to learn some of our language, we recommend the following resources:

https://www.visitnorthlewis.com/gaelic https://learngaelic.scot/littlebylittle/ www.duolingo.com www.speakgaelic.scot

Gaelic medium education is also found in primary and secondary schools throughout the island – see our section on schools on page 5.

Events/Festivals / Tachartasan/Fèisean

Urras Oighreachd Ghabhsainn host several community events throughout the year. These include:

Fèis na Fairge – Festival of the Sea – celebrating the maritime heritage of the Galson Estate community. Runs annually, late March. Dùthchas - Heritage week celebrates the heritage of the
Galson Estate community.

Way of life / Dòigh beatha

Our traditional way of life is very tangible on the Galson Estate. You will see evidence of crofting in the lazy beds, or runrigs, and peat banks that still provide fuel for our fires. For more information on our way of life, why not have a look at our tourism website:

www.visitnorthlewis.com/our-story

Makers/craftspeople/ galleries / Luchdceàirde/Gailearaidhean

We have many craftspeople, artists and makers resident in the Estate, including weavers, graphic designers and potters.

Museum – Comunn Eachdraidh Nis / Taigh–tasgaidh

Comunn Eachdraidh Nis have created a video tour of North Lewis give it a watch here:

www.nesshistorical.co.uk/atour-of-north-lewis/

Comunn Eachdraidh Nis (CEN) was established in 1977 when the need for a facility to collect and preserve local history was realised. The museum, housed in the former school in Cross, was recently renovated and is a great place to find out about the history of the community, with both permanent and temporary exhibitions on offer. There is also opportunity to access genealogical and family records in the archive. There is a café, toilet facilities and a gift shop on site.

Sunnd

'Sunnd' is UOG's annual winter wellbeing programme, helping Galson Estate residents to feel safe and well during the winter months. Events are normally part-funded by UOG for Galson Estate residents. Past programmes have included physical activity such as line dancing, online talks on a wide range of local subjects, arts and crafts sessions promoting good mental health, and personal wellbeing sessions, offering podiatry, technological support and home safety workshops. For further information, please see www.galsontrust.com

The Hebridean Community Garden / Gàrradh Coimhearsnachd InnseGall

The Hebridean Community Garden is a horticultural project based at Clan Macquarrie Community Centre in Borve. Established in 2020, the project has secured funding for polycrubs and a sensory garden, offering opportunities for the community to engage in gardening activities. For further information, please visit: www.hebrideancommunitygarden.co.uk/

ENVIRONMENT / ÀRAINNEACHD

Outdoor Access / Còd A-Muigh

When visiting the outdoors, you must behave responsibly. The Scottish Outdoor Access Code explains what this means. The main responsibilities can be summarised as:

- Take responsibility for your own actions e.g. care for your own safety, keep alert for hazards, take special care with children
- Respect people's privacy and peace of mind e.g. do not act in ways that might annoy or alarm people, especially at night
- Help land managers and others to work safely and effectively e.g. keep clear of land management operations like harvesting or tree-felling, avoid damaging crops, leave gates as you find them
- Care for your environment e.g. don't disturb wildlife, take your litter away with you
- Keep your dog under proper control dogs are popular companions, but take special care if near livestock, or during the bird breeding season, and always pick up after your dog
- Take extra care if you are organising an event or running a business e.g. talk to the managers of any land which you may plan to use intensively or regularly.

For further information, visit: www.outdooraccess-scotland.scot/act-and-access-code

Beaches / Tràighean

Galson Estate has an abundance of stunning beaches.

Whether you like beaches to be pebbled and rough or sandy and smooth, here we are blessed to have both! Many of our beaches are highlighted at:

www.visitnorthlewis.com/inspire-me

Moors / Mointeach

Galson Estate land is predominately moorland. Although it can be boggy underfoot, the moor is a fantastic place to walk and explore. It is home to large numbers of birds, deer, hare and much more. The moor really comes to life in August when the heather blooms bright purple. The midges can be plentiful in late summer but on a breezy day, it is the ideal place for an adventure

Deer Management / Fèidh

Red Deer live on the Estate's moorland. The deer occasionally venture into villages and whilst they are wonderfully majestic to watch, and relatively unfazed by people, they can cause problems by eating crops and flowers. Please do not feed the deer as this encourages them to come into villages causing a public safety issue.

UOG manages the sporting rights on Galson Estate, working closely with sporting leaseholders to support management of the deer population. Advice and guidance on deer management is sought on an ongoing basis from NatureScot. Any queries on deer management can be made by contacting the UOG office – see the chapter 'Contact Us' on page 4.
